

Home View

The Home View UI diagram consists of a light green rectangular container. At the top is a light blue rectangular header with the text "Header" centered. Below the header, the word "Login" is centered. Underneath "Login" is a light purple rounded rectangle containing three elements: a white rectangular input field with "Username" centered, another white rectangular input field with "Pwd" centered, and a yellow rectangular button with "Btn" centered.

Logged In Menu View

The Logged In Menu View UI diagram consists of a light green rectangular container. At the top is a light blue rectangular header with the text "Header" centered. Below the header are two light purple rounded rectangles stacked vertically. The top one contains the text "Acct Info Btn" centered, and the bottom one contains the text "New Entry Btn" centered.

Account Info View

The Account Info View UI diagram consists of a light green rectangular container. At the top is a light blue rectangular header with the text "Header" centered. Below the header is a large light purple rounded rectangle. Inside this rectangle, the text "User Name" is centered at the top.

New Entry View

The New Entry View UI diagram consists of a light green rectangular container. At the top is a light blue rectangular header with the text "Header" centered. Below the header is a light purple rounded rectangle. Inside this rectangle, the text "Entry Form" is centered at the top. Below "Entry Form" are five white rectangular input fields, each with the text "Property Field" centered. A black arrow points to the right from the top-right corner of the first "Property Field". At the bottom of the light purple rectangle is a yellow rectangular button with the text "Submit" centered.

Entry List View

The Entry List View UI diagram consists of a light green rectangular container. At the top is a light blue rectangular header with the text "Header" centered. The rest of the container is empty.

Details View

The Details View UI diagram consists of a light green rectangular container. At the top is a light blue rectangular header with the text "Header" centered. The rest of the container is empty.
